About The Woodlands

The Woodlands at Stowe is a 40-unit independent living retirement community located within walking distance of the village of Stowe, Vermont, a four-season resort town that's vibrant and bursting with community spirit.

Here, we believe everyone should be able to live with dignity and independence in a setting where you can be close to the activities you love while remaining comfortable in a home you can enjoy for years to come without the burdens of traditional home ownership.

We're committed to your comfort, security, and well-being while respecting your privacy and independent lifestyle.

Since opening in March 1998, The Woodlands has continued to provide a unique opportunity for our residents to live independently in a service-oriented community.

"I moved into my roomy, sunny apartment almost three years ago and enjoy peace and quiet. The staff is caring; they understand the different needs of a diverse group of residents and are always helpful. I have made new, interesting friends, I have learned from free lectures and demonstrations, I have joined a poetry and a book club, enjoy getting together with people to discuss "current events" and I play indoor and outdoor games."

Adi Barnett

Our residents enjoy a wide array of activities including classes, performances, outings, and more.

Rates and Monthly Fees

The Woodlands offers two financial models to help make your independent living lifestyle possible, which allow us to offer the lowest entry fee possible, providing middle-income community members, such as our retired schoolteachers, police officers, healthcare workers, and small business owners, access to a local independent living lifestyle. No matter the option, each includes access to our full line of resident services.

Pricing Models

The Woodlands offers two pricing models – a traditional monthly rental and a one-time rental payment option.

Monthly Rental

Our monthly rental fee is similar to a traditional rental in which you pay for your apartment on a recurring monthly basis alongside your Monthly Service & Upkeep Fee. This is the most flexible and financially feasible option for most and helps to preserve your hard-earned savings.

	Single Occupancy	Double Occupancy
Rent	\$1,922	\$1,922
Monthly Service & Upkeep Fee	\$3,055	\$3,927
Total Monthly Payment Due to The Woodlands	\$4,977	\$5,849

One-Time Rental Payment

If you anticipate living at The Woodlands for more than four years, have good financial savings, and are in good health, a One-Time Rental Payment may be a more financially beneficial rental option.

This option is similar to purchasing a traditional home, in which you pay the full rental cost of your apartment upfront. With this model, your only monthly payment to The Woodlands is for your Monthly Service & Upkeep Fee.

Your one-time rental fee can be refunded at a prorated rate over the first four (4) years of your rental and is non-refundable after four (4) years.

Please get in touch with us if you're interested in learning more about this payment option.

I am able to store food and monitor its freshness.		
I am able to remember or keep lists of emergency procedures.		
I am able to use a telephone or other communication device to summon assistance if needed.		
I am able to manage my finances including setting and keep my own budget and paying my bills on time.
